What do we look for in a candidate?

We want those employees, who are looking for skill growth and career growth.

Who seeks a job that is challenging, so that he/she gets knowledge, which in turn leads to his/her professional growth.

People who are look at opportunity to jump from one job to another, for mere salary growth, will surely leave us, as soon a better opportunity comes by, so if you are seeking a salary jump, with this job change, then we are not that company.

The candidates that, they are comfortable to work with us at his last drawn salary and want to grow with us, while working for us, we welcome those long term aspiring, hard working and sincere employees.

Our culture, is to we encourage the workers/employee so that they can experience a lot of challenging opportunities to learn, grow , adapt, evolve and prove their ability and can get annual and exceptional employees even by annual (6 month) appraisals in the coming time.

So would you be okay to join at the same salary as before ?
Ans.
YES I AM OKAY WITH THAT

If Not, please share, why not ?
Ans.

Our company has a 3 months notice period, backed by PDC, exclusively to be used only for the unserved notice period.

The policy is because, over the 60 year of companies history, it has seen that more then 75% of employees jump jobs for small salary growth/opportunity, without serving notice period ?

The employee also has the right, to serve a minimum 1 months notice and allow the new company to buy out the balance 2 months notice. This way, the future of employee is not compromised and when he gets an good opportunity, he can clearly quickly move on and it's not just a companies loss, as in handover, new recruitment and training on new job, takes a minimum of 6 months period, before one is able to understand the process & systems & be full productive. The company still stands to loose for the 4 months of period.

Please note, In case the company asks you to leave, the employee also get a 3 months notice period, safeguard his financial interests.

Also after a 5 years period, the PDC are returned, as then gratuity in itself becomes the security for the company and company releases the PDC back to the employees.

In light of this backdrop, please answer the below question

Q1: What do you think are the main key reasons for you or any employee to leave a job ?
Write the most critical on top as no. 1, then no. 2 and so on.

1. HOME SHIFTING
2. FAMILY ISSUE
3. HEALTH ISSUE
4. CO. SHIFTING
5.
6.
7.
8.

Q2. The opportunity comes by growth of skill because of the guidance, knowledge , opportunity & exposure given by the company and the company bears losses on the mistakes by the employee in the first 1 year of the learning process.

If someone is unhappy with the job profile or his HOD not being good or Not much learning opportunities or not enough annual appraisals and wants to leave, in this condition, then should he not file his resignation, in peace, as soon as he plans to look for a job change on day 1 , as he get a full 3 months to find a better

job, so in fact it serve him well too.
Do u agree to this above statement or NOT?
If Not , please detail reasons ?

A2: YES IF HE IS IN A CO. FROM ONE YEAR HE HAS TO GIVE THREE MONTHS NOTICE PERIOD.

Q3. Also those people who are okay for a 3 months notice period and not comfortable with giving PDC cheque only for the recovery of the unserved notice period, why do you think (psychologically) they are not okay with the PDC?

A3: IN A CARRIER OPPORTUNITY MAY BE HE WAS NOT TO PREPARE FOR THE BOONDS. OR FAMILY HAS A CENTRE EMPLOYEE. SO HE HAS TO MOVE SOMEWHERE ELSE. (I AM COMFORTABLE WITH PDC)

Q4. What is the difference as per you thinking, between the 2 professionals psychologically , thinking, thought process wise, between the one who agree for giving the PDC and the one who does not ?

A4: EVERY ONE HAS A DIFFERENT SIDE SO ONE MAN TRUST ON HIMSELF TO DO A LONG CARRIER JOB WITH THIS COMPANY, and other One Just want ESCape from this BOND. So when he will get a new opportunity he Can go.
